I am a customer of Palmetto utilities.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Palmetto Utilities has had several rate increases over the past several years. Initially, my sewer bill for a busy family of 3 was around \$25-27. Within a few years they decided to move to a flat rate that was nearly twice that amount. Since then, my family has decreased by one; however, we still have to pay the flat rate, which keeps increasing. Sewage is a necessity; however, it should also be affordable for all.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
